WELCOME FROM THE PRESIDENT

Under the auspices of

Dear Colleague,

it's my great pleasure to invite you to participate in the proceedings of **6th Italian Conference on Thoracic Oncology (CIOT)** that, in its annual recurrence, will take place in Milan from June 21st to June 23rd 2018 organized by AIOT (Italian Association of Thoracic Oncology) and that I've the responsibility to chair.

I would like to call your attention to at least three interesting aspects of Milan's Conference that make the appointment very peculiar and that I identify in its International form, in the location and in its goals.

International form

The 70% of Faculty is composed of foreign speakers, everybody playing an active part in clinical research in Thoracic Oncology and KOL in their respective countries. We expect significant foreign delegations. The official language of the Conference will be English.

Location

Located in a wonderful position, in the heart of Milan, the conference venue offers to the city a meeting point of extraordinary importance. Its natural elegance and flexibility make it the ideal location for congresses, meetings and events of any kind.

The location is in the heart of history and Milan fashion district.

Goals

Setted immediately after ASCO, the Conference will give an update on the data coming from Clinical Research in Thoracic Oncology directly from the voice of its Authors more representative in an appointment that we would like to be lasting inside of the international congressional track.

For these reasons I'm trusting that you should appreciate the effort of the organizing secretariat to realize this scientific meeting doing credit to us with your attendance in Milan.

Arrivederci

President of 6th CIOT

Filippo de Marinis

A handwritten signature in blue ink, which reads 'Filippo de Marinis'.

SCIENTIFIC INFORMATION

MAIN SCIENTIFIC PROGRAMME OUTLINE

The scientific programme covers three days (Thursday June 21, Friday June 22 and Saturday June 23, 2018) and consists of State-of-the-Art Lectures, Main Lectures, Debates and Face to Face sessions.

The “Debate” sessions will be about controversial topics in thoracic oncology; the “Face to Face” sessions instead will go on vexed questions and they will deal with two speakers and to add requests from some “shooters” put in charge in order to stimulate the audience for a lively discussion.

WEBSITE

Virtual Meeting of the Conference will be available after the end of the Meeting on AIOT official website www.oncologiatoracica.it.

ITALIAN MINISTRY OF HEALTH - CME CREDITS

The accreditation has been asked for entirely meeting. To obtain Italian credits the delegates must attend in the 100% percentage of the time sessions. An electronic device will be arrange.

At the moment of registration each participant will receive the evaluation forms and learning questionnaire of the scientific sessions. These forms and questionnaire must be filled in and return to the “CME credits” desk. Electronic tags will be used to record the CME credits.

The electronic readers will be placed just outside the “Auditorium”. It will be sufficient to pass through the electronic device to have the credits recorded.

To obtain credits, Italian participants have to:

- record both the entrance and the exit of each Meeting day
- return the electronic tag to the Organizing Secretariat at the end of the Conference
- return the evaluation forms and questionnaire duly filled into the “CME credits” desk. The anagraphical data must compulsorily be indicated since required by the Italian Ministry of Health

Please note that if you loose or fail the tag, you will be charged € 10,00 by the Organizing Secretariat.
