WELCOME FROM THE PRESIDENT

Dear Colleagues,

It is my great pleasure to invite you to participate in the proceedings of **12TH International Conference on Thoracic Oncology (CIOT)** that, in its annual recurrence, takes place in Naples, from June 20TH to June 21ST 2024 organized by AIOT (Italian Association of Thoracic Oncology) and that I have the honour to chair.

I would like to call your attention to three interesting aspects of the Conference.

INTERNATIONAL FORM

90% of Faculty is composed of foreign speakers, everybody playing an active part in clinical research in Thoracic Oncology and KOL in their respective Countries. We expect significant foreign attendees. The official language of the Conference is English.

LOCATION

The conference venue is located in a wonderful position, offers a view of Vesuvius and the entire bay of Naples in the foreground the majestic Castel Dell'Uovo.

GOALS

Settled immediately after ASCO, the Conference gives an update on the data coming from Clinical Research in Thoracic Oncology directly from the voice of its Authors. They are most representative in an appointment that we would like to be lasting inside of the international congressional track.

For these reasons I'm trusting that you should appreciate the effort of the organizing secretariat to realize this scientific meeting doing credit to us with your attendance in Naples.

Arrivederci

President of 12TH CIOT

Cesare Gridelli
